Profile

I am a passionate **Front-End Developer** with strong skills in building responsive and user-friendly web applications. Proficient in **HTML**, **CSS**, **Bootstrap**, **JavaScript**, and **TypeScript**, I focus on writing clean, maintainable code and creating smooth user experiences. I am also skilled in **Git & GitHub** for version control and collaboration. Always eager to learn and adapt to new technologies, I aim to contribute effectively to **modern**, **scalable**, and **high-quality web** projects

Technical Skills

- HTML5
